TORLYS Marquee Chicago flooring is covered by a 20-Year Residential Wear, Stain and Water Warranty, and a Lifetime Structural Warranty.

This warranty applies to the original end user, is not transferable, and covers only approved, interior, product applications. Please note that this warranty is valid from the date of purchase as shown on the consumer's invoice, starting January 2, 2019.

This Warranty is not pro rata!

MARQUEE Chicago floors can be installed in 3-season homes (from -22°F to 122°F / -30°C to 50°C). Thermal shock – very rapid and extreme changes in temperature - may cause damage to the floor. The use of a continuous vapour barrier and proper insulation and ventilation is mandatory in the crawlspace. In construction terminology, a crawlspace is defined as: *“a shallow space below the living quarters of a house, normally enclosed by the foundation wall...”*

Closed-in porches, solariums, screened in gazebos - ALL of these can experience rapid and unbalanced changes in the interior environment that cannot be properly controlled. Installation under these conditions is NOT recommended.

MARQUEE Chicago floors are guaranteed for installation over radiant-heated sub-floor-floors. For details and limitations, please check the “TORLYS Flooring Warranty and Instructions for installation over radiant-heated sub-floors”.

1. Wear-through Warranty

The guarantee is restricted to wear on the surface of the planks. The wear must be readily visible and measure a minimum of 1.4 square centimeters (0.5 square inches) and cannot be the result of abusive conditions or accidents such as, but not limited to, damage caused by severe impact, scratching or cutting, or faulty maintenance. Gloss reduction is not considered wear.

2. Stain Warranty

Regular household products (such as food, beverages and daily-use cleaning products) will not stain your MARQUEE Chicago flooring.

3. Water Warranty

The water warranty specifies that under normal use and following TORLYS maintenance procedures, MARQUEE Chicago flooring will not delaminate or swell visibly (Swell Rate of <1% of the product's original thickness; Heavy Commercial class, as per ANSI / NALFA LF 01-08).

We guarantee that this product is free from manufacturing defects and will remain free of these defects for as long as you own your residence.
